Announcing the Winners of
APEX 2016

**The Twenty Eighth Annual
Awards for Publication Excellence**
**A Competition For
Communications Professionals**

Dear APEX Entrant:

Thank you for participating in APEX 2016, the twenty eighth annual awards program recognizing excellence in publishing by professional communicators.

APEX Awards are based on excellence in graphic design, editorial content and the ability to achieve overall communications excellence. APEX Grand Awards honor the outstanding works in each main category, while APEX Awards of Excellence recognize exceptional entries in each of the individual categories.

With over 1,600 entries, competition was exceptionally intense.

86 Grand Awards were presented to honor outstanding work in 11 major categories, with 632 Awards of Excellence recognizing exceptional entries in 100 subcategories.

The panel of judges for APEX 2016 included John De Lellis, Concepts Editor & Publisher, Ken Turtoro, Marketing Director at Shain+Oringer, Christine Turner, Contributing Editor of the Writing That Works Archives and Bill Londino, Consulting Editor of Writer's Web Watch.

The APEX 2016 award winners are listed on the following pages. If you won an Award of Excellence, it is enclosed and shown in this Winners' List. Grand Awards also are shown, but are being shipped under separate cover.

Should you wish to order additional award certificates—to recognize co-workers, colleagues or vendors who helped prepare a winning entry—see the order form on the back page of this brochure.

If your entry did not win an award this year, please accept our thanks for participating, and our best wishes for success in next year's APEX Competition.

Cordially,

A handwritten signature in black ink that reads 'John De Lellis'.

How were awards presented?

APEX 2016 awards were based on excellence in graphic design, editorial content and the success of the entry—in the opinion of the judges—in achieving overall communications effectiveness and excellence.

Naturally, entries in design categories were judged solely on the basis of their graphic design, and writing entries were evaluated primarily on the basis of editorial quality.

How many entries were there? How many awards were given?

1,634 entries were evaluated, in the following distribution:

Newsletters: 137; Magazines, Journals & Tabloids: 347; Annual Reports: 71; Print Media: 97; Electronic Media: 143; Social Media: 62; Websites: 102; Campaigns, Programs & Plans: 106; Writing: 335; Design & Illustration: 164; One-of-a-Kind Publications: 70.

A total of 86 APEX Grand Awards were presented in 11 major categories to honor the outstanding works in those categories. 632 APEX Awards of Excellence recognize excellence in 100 individual categories.

For the number of awards presented in each main category, please refer to the list of winning entries on the following pages.

How competitive were the entries?

Very. Each year, the quality of entries increases. Overall, this year's entries displayed an extraordinary level of quality. The APEX judges saw only the most promising publications that professional communicators could enter. From them, they had the truly difficult task of selecting the award-winning entries.

Did low-budget entries stand a chance?

Yes. Many of the winning entries in APEX 2016 were inexpensively produced. The APEX judges often were more impressed by the quality of creative ideas and concepts shown by entries than they were by the expense entailed in their execution.

Many of the award-winning entries in this and earlier APEX competitions are classic examples of good ideas, imaginatively executed, despite limitations due to tight budgets, limited resources and small staff.

Who are the APEX judges?

The panel of judges included John De Lellis, Concepts Editor & Publisher, Ken Turtoro, noted publishing executive and Marketing Director with the New York firm of Shain+Oringer, Christine Turner, Contributing Editor of the *Writing That Works Archives* and Bill Londino, Consulting Editor of *Writer's Web Watch*.

What does Communications Concepts, the APEX sponsor, do?

Communications Concepts, Inc. helps publishing, PR and marketing professionals improve publications and communications programs through consulting services and reports on business writing and communications.

Concepts also publishes *Writer's Web Watch*, an e-newsletter on print, Web, electronic and social media, and the *Writing That Works Archives*, a resource for business communicators.

How is the list of winning entries organized?

Grand Award winners are listed by main category. Award of Excellence winners are listed within each subcategory, alphabetically by organization. (Winning entries from individuals are listed alphabetically by last name at the end of each subcategory.)

How can I order more award certificates?

See the order form on the **outside back cover** to order additional certificates for co-workers, supporting vendors or clients. Or download a pdf order form from ApexAwards.com/221.htm.
