Announcing the Winners of

APEX 2026

The Thirty-Eighth Annual Awards for Publication Excellence

A Competition for Communications Professionals

Dear APEX Entrant:

Thank you for participating in APEX 2026, the thirty-eighth annual awards program recognizing excellence in publishing by professional communicators.

The APEX Awards are based on excellence in graphic design, editorial content, and the ability to achieve overall communications excellence. APEX Grand Awards honor the outstanding works in each main category, while APEX Awards of Excellence recognize exceptional entries in each of the individual subcategories.

This year marks a milestone. After nearly four decades, APEX now operates independently as APEX Awards Inc. The mission has not changed: to recognize the writers, editors, and designers whose work sets the standard for professional communication.

The quality of entries continues to impress our judges year after year. Each cycle, selecting the winners grows more difficult because of the high caliber of so many submissions, and 2026 was no exception. To everyone who set aside time to enter APEX 2026, please accept our heartfelt thanks.

With approximately 1,000 entries, competition was exceptionally intense. 100 Grand Awards were presented to honor outstanding work in 13 major categories, with 400 Awards of Excellence recognizing exceptional entries across 100 subcategories.

Should you wish to order additional award certificates or plaques, to recognize co-workers, colleagues, or vendors who helped prepare a winning entry, you may do so online at ApexAwards.com/certificates.

If your entry did not win an award this year, please accept our thanks for participating and our best wishes for success in the 2027 APEX Awards for Publication Excellence.

Cordially,

CJ Turtoro
CEO, APEX Awards
ApexAwards.com

APEX AWARDS INC.

Questions & Answers about APEX 2026

The 38th Annual Awards for Publication Excellence Competition

How were awards presented?

APEX 2026 awards were based on excellence in graphic design, editorial content, and the success of the entry, in the opinion of the judges, in achieving overall communications effectiveness and excellence. Entries in design categories were judged on the basis of their graphic design, and writing entries were evaluated primarily on the basis of editorial quality.

How many entries were there? How many awards were given?

Approximately 1,000 entries were evaluated this year. A total of 100 Grand Awards were presented to honor outstanding work in 13 major categories, with 400 Awards of Excellence recognizing exceptional entries across 100 subcategories.

How competitive were the entries?

Very. Each year, the quality of entries increases, and this year was no exception. The judges saw only the most promising publications professional communicators could enter, then faced the difficult task of selecting the award-winning entries.

Did modestly produced entries stand a chance?

Yes. Many winning entries in APEX 2026 were inexpensively produced. The judges were often more impressed by the quality of creative ideas and concepts than by the expense entailed in their execution. Many award-winning entries are classic examples of good ideas, imaginatively executed, despite tight budgets, limited resources, and small staffs.

Who are the APEX judges?

The APEX 2026 judging panel comprised the following:

Kenneth J. Turtoro, Judging Supervisor and Executive Editor
Anne Gilio, Senior Judge
Rebecca Landsman, Senior Judge
Christopher Monaco, Senior Judge
Kirstin Rogers, Senior Judge
Blair Roman, Senior Judge
Jessica Sancilio, Senior Judge
CJ Turtoro, Senior Judge

What are the credentials behind the panel?

APEX judges bring advanced academic training and senior industry experience.

Credentials represented on the panel include:

- Graduate degrees, including MA and PhD
- Senior leadership experience at Elsevier, Penton Publishing, Medical Economics, Chemical Week Associates, Lebhar-Friedman, and Reed (Cahners) Travel Group
- Professional backgrounds spanning PwC, Meta, Mercedes-Benz, Vox Media, Klarna, and other leading organizations

How is the list of winning entries organized?

Grand Award winners are listed by main category. Award of Excellence winners are listed within each subcategory, alphabetically by organization. Winning entries from individuals are listed alphabetically by last name within each subcategory.

How can I order more award certificates?

You may order additional certificates online for co-workers, supporting vendors, or clients. Please use the online order form at ApexAwards.com/certificates.

A note on format:

- Grand Awards are listed alphabetically by organization, within each main category.
- Awards of Excellence are listed alphabetically by the name of the first organization listed for the award, within each individual category.
- Awards for individuals without an organization name are listed alphabetically by last name within each individual category. Note: In rare cases where the organization name is the same as an individual's name, it will be listed alphabetically as an organization.
- Organization names and job titles appear in the format and style used by entrants.
- Categories in which no awards were given have been omitted from this report.

To order additional award certificates for co-workers and contributing vendors, please order online at ApexAwards.com/certificates
